- Supply as Kit - Price \$1700.00. Full payment is required prior to delivery.
- Ready to Run – (refer below)

If you require your locomotive "ready to run", please nominate which locomotive version you require and the specific fleet number

<b>READY TO RUN OPTIONS</b>	<b>INDICATE OPTION REQUIRED</b>	<b>NOMINATED FLEET NUMBER</b>
High Boiler Version		
Low Boiler Version		

Total cost to supply the kit and "assemble the contents of the box" including decals and brass fleet number on cab side is \$3400.00. Additional requirements can be accommodated upon request at an additional cost. The locomotive will be finished in an unweathered "engine black" colour scheme unless the purchaser advises an alternative requirement. Time sensitive orders may incur additional costs.

For ready to run orders a deposit of \$500 must accompany this order form. Balance of payment will be due on completion. Assembly of the kit will only commence once the written order confirmation and deposit have been received. The finished kit will only be forwarded when full payment is received.
