Please nominate which locomotive version you require and the specific fleet number:

KIT OPTIONS	INDICATE OPTION REQUIRED	NOMINATED FLEET NUMBER
Beyer Peacock built 50 class with Laird crosshead		
Beyer Peacock built 50 class with Alligator crosshead		
North British built 50 class with Laird crosshead		
North British built 50 class with Alligator crosshead		
Saturated 50 class with Laird crosshead		
Saturated 50 class with Alligator crosshead		

Total cost to supply the kit and "assemble the contents of the box" including decals and brass fleet number on cab side is \$3400.00. Additional requirements can be accommodated upon request at an additional cost. The locomotive will be finished in an unweathered "engine black" colour scheme unless the purchaser advises Century Models of an alternative requirement.

A deposit of \$500 must accompany this order form. Assembly of the kit will only commence once the written order confirmation and deposit have been received.
